

SCHOOL PLAN OVERVIEW 2021-22

Springville Community School District

Learning Models - Defined

- ▶ On-Site Learning
 - ▶ Delivery of student learning will be done face-to-face in building with appropriate mitigation steps in place. School will be based on the regular school schedule.
- ▶ Individualized Remote Learning
 - ▶ Springville CSD will not be offering an individualized remote learning option for the 2021-22 school year. All open enrollment requests for the 2021-22 school year to attend an accredited virtual school in Iowa will be approved.
- ▶ Required Remote Learning (District/State Mandated)
 - ▶ The Governor signed legislation per SF160 making this illegal for Iowa schools. The only way we would do Required Online Learning is if there was a change or mandate in the law for schools.

On-Site Learning

- ▶ Students will be educated in an on-site learning environment.
- ▶ Regular, full-days of school following the district-approved calendar with safety and health mitigation processes and procedures will be in place.
- ▶ Families that are uncomfortable with returning to on-site learning, due to COVID-related reasons, can apply for open enrollment to an accredited virtual school.

Technology

- ▶ Every student in grades K-12 will be assigned a device to facilitate on-site learning:
 - ▶ K-2nd grade students will be assigned an iPad
 - ▶ 3rd-6th grade students will be assigned a Chromebook
 - ▶ 7th-12th grade students will be assigned a Macbook
- ▶ Students in grades 3-12 will be allowed to take their device home with a signed acceptable use policy.
- ▶ Students in grades K-2 will be allowed to take their device home if self-isolating or if all students are moved to a remote learning model and a signed acceptable use policy.

Face Coverings

- ▶ Employees and students in grades PK-12 will have a **personal choice** as to whether they will wear face coverings inside the school building.
- ▶ All students and staff will respect others' personal choice on face coverings.
- ▶ Face coverings **will be required** of all students and staff when riding in school transportation due to federal mandates.
- ▶ The district will provide face coverings upon request.

General Health/Safety

Prevention Practices

- ▶ Springville CSD will follow the guidelines and recommendations in place from the Iowa Department of Public Health in regards COVID-19.
- ▶ If you experience any COVID symptoms, please call your family health care provider for further guidance.

Cover Coughs and Sneezes

Stop the spread of germs
that can make you and others sick!

Cover your mouth and nose with a **tissue** when you sneeze or cough.

If you don't have a tissue, use your **elbow**.

Wash hands often, **especially** after coughing or sneezing.

Transportation

- ▶ Face coverings will be required by staff and students PK-12 in all school vehicles. This includes all school activities.
- ▶ Hand sanitizer will be available on all buses.
- ▶ Social distancing will be practiced when possible.
- ▶ Bus surfaces will be disinfected more frequently than normal.
- ▶ Windows may be open to increase circulation of fresh air on the bus while in operation, when possible.
- ▶ If concerned with transportation, we would encourage parents to drop off/pick up your child at school or activities.

Arrival/Drop-Off

- ▶ Parents will be encouraged to not exit the vehicles during pick-up/drop off at school.
- ▶ If there is a need to enter the building, please check in at your respective offices.
- ▶ Drop off time should not be before 7:45 a.m. each day if eating breakfast at the school or 8:00 am each day for regular drop-off.
- ▶ Parents bringing/dropping off students to school should drop/pick up at either the elementary or secondary doors, based on where your students typically exit.

Food Service

- ▶ Lunch will return to normal as much as possible.
- ▶ Regular school lunch trays will be used by food service staff for serving meals this year. We will still use plastic silverware per the state's guidance.
- ▶ All students will be eating in the lunchroom.
- ▶ Hand sanitizing stations will be placed outside of each entrance.
- ▶ We will not be doing a salad or fruit bar to start the school year. This may come back during the school year.
- ▶ Outside guests will not be permitted for lunch.

Volunteers/Parents/Visitors

- ▶ Staff and student/parent meetings will be held in-person, (IEP, 504, parent/teacher conferences) Virtual meetings may be an option if requested.
- ▶ Volunteers/Visitors will be limited during the school day and must be approved into the buildings by administration for educational purposes only.

Assemblies/Large Gatherings/Field Trips

- ▶ All field trips and school-related assemblies have been reinstated.
- ▶ Field trips will require all participants to wear a mask while being transported in school vehicles.

School Activities and Public Events

- ▶ Outside community groups will be permitted to use school buildings again this year with school permission.
- ▶ School activities and athletics will follow district procedures and refer to athletic association/union and public health guidance for any further guidance.
- ▶ Face masks will be required when riding in school vehicles per federal mandate.
