

What is CAST?

CAST (Community and Schools Together) is a group of parents and community members that meet a minimum of once a month to work on the funding of our school's field trips and other school/classroom and playground needs.

We are always looking for new people to volunteer their time and talents to help with the many projects that come CAST's way during the year.

If you are willing to help in any way and be part of our CAST organization, please fill out the below form and return it to the elementary office.

Thank you!
