

HARD SURFACE BUS ROUTES

PARENTS/GUARDIANS:

Due to certain weather-related conditions, we will need to use **hard surface bus routes** in order to have school. Please check daily with your local radio and TV stations for the most current weather related announcements.

What does this mean? Emergency bus routes mean that we will run on “hard surfaced roads” only. We hope you understand that we have the safety of your children first and foremost on our minds. We appreciate your cooperation when it comes to emergency routes.

How do my children ride the bus during this time? We will need to rely on you, as parents/guardians, to take your children to the nearest paved road (a spot where it is safe for the bus to stop) and meet the bus.

The following is the best-case scenario we can give you:

Rusty Horak, #21, will travel up Springville Road, X20, north to County Home Road. He will turn left and go through Whittier, and then north on Whittier Road, X20. He will turn around at Bowdish Rd. and return the same way. From Whittier, he will travel east on County Home Road to Alderman where he will turn around and return to Springville.

- Stone Road (7:20-7:25) - Pick up/Drop off at Whittier Road
- Whittier Road (7:25-7:30) - Pick up/Drop up off to Waubeek (Whittier Road)
- Prairie Chapel Road (7:25-7:30) - Pick up/Drop off at Road to Waubeek (Whittier Road)

Alan Horak, #11, will travel south from Springville on Springville Road, X20, to Secrist Road. He will proceed west on Secrist Road to Forest Road where he will turn around. He will turn left on Springville Road and make a stop at Elbow Creek Road, turn around and return to HWY 151. He will proceed east on HWY 151 and turn north on Quaker Road, turn around, and return to HWY 151 to return to Springville.

NOTE: ALL buses will leave the bus barn around 7:00 a.m (Regular Schedule) or 9:00 a.m. (2 Hour Delay). The time the bus goes by your nearest point could vary. You might be able to catch it on the way out or on the way back. For pick up at HWY 151, you will have only one chance to catch the bus going by. If we run hard surface for the a.m. routes, we will run hard surface for the p.m. routes. Notifications for “Hard Surface Routes” will be sent in the same manner as weather delays.

We ask for everyone’s cooperation and understanding if it becomes necessary to use emergency or hard-surface only routes.

Thank you,

Autumn Pino, Superintendent
