

VALUES

VISION – MISSION – GOALS

COMMUNITY SCHOOL DISTRICT

VISION

Student Centered,
Achievement Driven,
Future Focused

MISSION

We instill a lifelong love of learning and promote the achievement of the individual within a positive learning climate. At Springville expectations are cooperatively set by school personnel, students, families, and the community.

GOALS

Academic

- Improve reading and math scores
- Increase academic rigor
- Instill the belief that all students can learn at high levels

Teaching and Learning

- Engage students through personalized and differentiated learning
- Increase course offerings
- Graduate life-ready students

Culture and Climate

- Increase communication opportunities with families
- Foster staff retention
- Provide a safe and secure environment
- Promote a family atmosphere
